

HOW TO REGISTER FOR RETURNING MEMBERS

To re-register for the new season you should have a username and password that you would have received when you first registered with a Little Athletics Centre.

The password and username can be reset if you are not able to locate them.

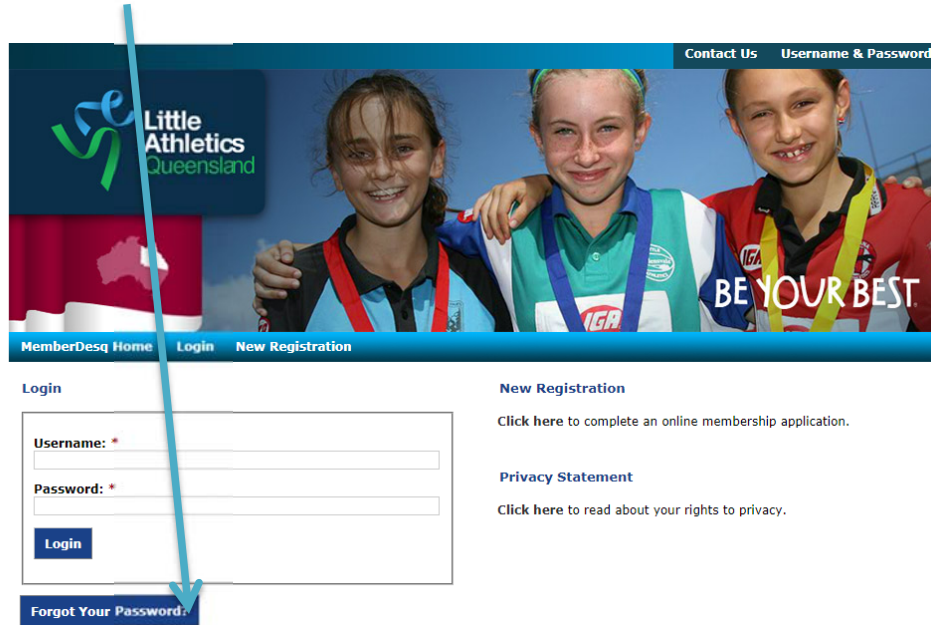

To re-register or reset your password and username, please select “register now”.

Select login from the toolbar.

If you have forgotten your password, please select the “forgot your password” button and proceed to reset your password.

The screenshot shows the Little Athletics Queensland website. At the top, there is a navigation bar with links for 'Contact Us' and 'Username & Password'. Below this is a banner image of three young athletes with the text 'BE YOUR BEST'. The main content area has a 'Login' section with fields for 'Username' and 'Password', a 'Login' button, and a 'Forgot Your Password?' link. To the right of the login section, there is a 'New Registration' section with a link to complete an online membership application and a 'Privacy Statement' link. A blue arrow points from the text above to the 'Forgot Your Password?' link.

An email will be sent directly to your email address (please check your spam or junk folder) with the link to reset your password. Please note that the link is time sensitive and will expire after 24 hours.
