# 2021 NORDIC SPORT REGIONAL CHAMPIONSHIPS

Ever been at an athletics competition where they keep calling for parents to go and help on different events?  
This is very unfair to the athletes who are warmed up and ready to go.

Do you want your child/ren to be delayed because the event doesn't have enough Officials?  
This is what will happen at our events if we don't get officials coming forward.

Please come forward and offer some of your time, if requested by the Announcer.

## RULES OF COMPETITION

The following are generalised rules, which apply for this competition day as conducted by the Association. If you require additional information and / or specific rules refer to your Centre Team Manager, LAO Competition, Officials Handbook, or the World Athletics Handbook.

The Regional Competition Coordinator, taking into account the recommendation of the Meeting Manager and Referees, and after due consultation with ALL Centre Managers or authorised Centre representatives, will make any decision with regard to re-scheduling or abandoning a Regional Championships. If the decision is to abandon an event(s) / competition, where possible, the backup date MUST be used to reschedule the event(s) / competition. Paramount in the decision to continue or otherwise, should be the safety of the athletes.

### 1. GENERAL

- 1.1. Only Athletes and Officials are permitted on the competition area. Athletes must leave the arena immediately after the completion of their event. No unauthorised persons are to be in the competition or Control Room AT ANY TIME. If this rule is breached the relevant athlete(s) may be disqualified.
- 1.2. Coaching of participating athletes from INSIDE the competition arena is NOT permitted and may cause disqualification of the athlete.
- 1.3. Event block starting times, shown in the Regional Championship programs, may be brought forward no more than 30 minutes. The Meeting Manager may change the start times at his discretion after consultation with the relevant Referees. Athletes should be in attendance 60 minutes prior to the advertised event block start time.
- 1.4. Athletes are not allowed the use of electronic communications or similar devices on the competition arena.

### 2. CALL ROOM (Marshalling)

- 2.1. Athletes competing in track events are to marshal in the designated areas before entering the competition arena for events. Athletes are to marshal directly to the relevant field events as soon as possible once the Call has been made. Athletes competing at the Regional competitions are to marshal at the Regions' designated areas.
  - i. The Call for athletes to report to FIELD events will be made approximately 20 minutes before the event start time to allow for registration and warm-up.
  - ii. The Call for athletes to report to CALL ROOM (marshalling area) for all track events up to 400m will be made approximately 20 minutes before the event start time.
  - iii. The Call for non-laned events e.g. 800m, 1500m, Relays and Walks will be made approximately 25 minutes before the event start time. This is to allow the placement of hip numbers on the athletes.
- 2.2. Once athletes have left Call Room, any athlete who has not reported to Call Room will be declared a non-starter in that event.

### 3. CLASHING EVENTS

- 3.1. Where an athlete is in both a track and field event at the same time, track events take precedence. Every effort will be made by Officials to ensure all athletes receive their allotted trials at field events, but in this regard, Centres and Officials are requested to ensure that:
  - i. Athletes in clashing events go back to their field event immediately they have completed their track event, once instructed by the relevant Official.
  - ii. Athletes, whose clashing track event starts after the field event, remain at the field event until a few minutes before the track event starts when they will be collected by the relevant Official.
  - iii. Officials at both the track and field venues are advised of the clash so they may do their best to minimise its effect.
- 3.2. Except for High Jump, where a clash of events occurs, the Chief Judge may allow the athlete to compete out of round and out of order in all rounds. It is not permitted for an athlete to have two or more consecutive trials, nor can an athlete demand to have a trial that has been missed.

*Note: The first three rounds of trials must be completed, and a final eight determined prior to any other subsequent rounds of trials being commenced.*

- 3.3. For High Jump, where a clash of events occurs, the Chief Judge may allow the athlete to compete out of order. The athlete re-joins the competition at the current height of the bar.

*Note: The bar will not be lowered to the height at which they left, nor will the event be stopped while they are away.*

- 3.4. Neither track nor field events can be unduly delayed to suit individual athletes.

#### 4. PROTESTS / DISQUALIFICATIONS / APPEALS

- 4.1. No person other than the Team Manager as the representative so nominated by the Centre shall be entitled to query decisions, or lodge protests or appeals.
- 4.2. Any Centre failing to comply with this rule will forfeit the right to protest or appeal. Team Managers names MUST be signed in with the Regional Competition Coordinator (Regional Competitions) / Information area (Association Competitions).
- 4.3. Protests must be made verbally by the Team Manager to staff in the Information tent within fifteen (15) minutes of the completion of the event and then lodged in writing (using the proforma supplied) within another fifteen (15) minutes (i.e. 30 minutes total) from the completion of the event.
- 4.4. Each protest must be recorded on the proper form at the time of verbal lodgement. The written protest must include the name and number of the event upon which the protest is lodged and indicate the names of all Centres involved in the incident and relevant rule under which the protest is to be investigated, as well as any other relevant information.
- 4.5. A deposit of \$55.00 (incl. GST) is payable at the time the verbal protest is lodged.
- i. Protest money will not be refunded unless the protest is successful.
- 4.6. That in the event of a protest at Championships, an announcement will be made, that a protest has been lodged. An announcement of the decision will also be made.
- 4.7. For additional detail, refer to the Centre Team Manager or the Competition Handbook.

#### 5. TEAM MANAGER

- 5.1. The Team Manager shall not be a Competition Official.
- i. Each competing Centre shall designate one or more person(s) to be their Team Manager at an Association Competition where Centre athletes have been nominated, using the prescribed process. The Team Manager(s) must be present at the arena, before the commencement of and during events in which the Centre's athletes are competing and be responsible for:
- ii. Ensuring that all competing Centre athletes at Association Competitions are aware of the event times, as well as the Call Time for their respective events.
- iii. Ensuring that all athletes report to the Call Room / event areas once they have been called.
- iv. Ensuring that all athletes are correctly attired in the Centre uniform before being marshaled for events.
- v. Advising the relative Call Room Judge(s) and Chief Recorder if an athlete withdraws from any events.

#### 6. QUALIFICATION & NOMINATION TO STATE CHAMPIONSHIPS

- 6.1. U7 and U8's do not progress beyond Regional Championships.
- 6.2. For State Championships, qualifying athletes can only nominate in a maximum of five (5) events.
- 6.3. The number of qualifying U9 to U17 athletes from each of the Regional Championships to State Championships will be the first four (4) placegetters in each event.

# AUSTRALIAN LITTLE ATHLETICS CHAMPIONSHIPS MELBOURNE - 23/24 APRIL 2021

Would you like to be part of the 2021 LAO State Team? Here is what you need to do to be eligible. Read the information below, show your Mum & Dad and become better informed about the Australian Little Athletics Championships (ALAC's) selection and management of our representative team.

## Eligibility for the Team

Eligibility for selection in the State Team is limited to U13 and U15 athletes only. To be eligible:

U13 and U15 athletes must have satisfied the criteria to attend their respective Regional Championship and have attended at least four Little Athletic Centre actual competition days prior to these Regional Championships in the year of selection. U13 athletes must also attend and compete at the Regional and LAO State Championships in the year of selection and U15 athletes must attend and compete at the LAO Combined Event Championships in the year of selection.

Multi Class athletes in the U13 and U15 age groups are also eligible for selection. These will also need to meet the above eligibility criteria as well as reach a qualifying standard at the LAO State Championships and LAO Combined Events Championships in order to be considered for selection.

There will be no selections based on medical or compassionate grounds.

## Team Selection

The team will be selected, principally, on their performances at State Championships, then if necessary, performances at other recently held LAO sanctioned events will be taken into consideration in the final process. Generally, the U13 athletes will not be selected for one event only, therefore, should endeavour to qualify in the maximum number of events at Regional Championships to increase their opportunity of selection in the State Team. **Please note that placing at States does not guarantee selection in the team.**

## The Competition & Events

The 2021 ALAC's will be held in Melbourne. It is a Teams Championships and although recognition is given to individual placegetters, the emphasis is on the Team performances and the main trophies for the day are the U13 and U15 Team trophies.

**U13's:** All LAO events including 4x100m and 4 x Swedish Medley Relays. No athlete may compete in more than six events overall (relay counts as one event).

**Multi Class athletes:**

**U15's:** Girls: 90m Hurdles, 200m, 800m, Long Jump, Shot Put, High Jump & Javelin

Boys: 100m Hurdles, 100m, 800m, Long Jump, Discus, High Jump & Javelin

# TOGETHER IS THE BEST PLACE TO BE!

Ronald McDonald House Charities® (RMHC®) is an independent charity that helps families of seriously ill children. We help keep families together while their child receives the care they need.

The cornerstone program of RMHC®, the Ronald McDonald House®, provides a 'home away from home' for families of seriously ill children being treated at nearby hospitals. We have 4 Ronald McDonald Houses® throughout Queensland and we give parents the chance to draw hope and comfort from other families in similar situations, while being supported by dedicated and friendly staff and volunteers.

RMHC® thanks Little Athletics Queensland for their continued support and good luck to all participants in this fantastic sport that we love.
