# McDONALD'S® QUEENSLAND PROUDLY SUPPORTS LITTLE ATHLETICS QUEENSLAND

McDonald's® restaurants employ and train over 2000 young Queenslanders and Territorians from their local communities, providing them with valuable life skills and values such as teamwork. Each year McDonald's® restaurants invest over \$2 million into local sports and community groups across Queensland and the Northern Territory. These include local Little Athletics centres that teach young people important life skills such as commitment and friendship.

Good luck to everyone participating in Little Athletics, from your friends at McDonald's® Queensland.

# TOGETHER IS THE BEST PLACE TO BE!

Ronald McDonald House Charities® (RMHC®) is an independent charity that helps families of seriously ill children. We help keep families together while their child receives the care they need.

The cornerstone program of RMHC®, the Ronald McDonald House®, provides a 'home away from home' for families of seriously ill children being treated at nearby hospitals. We have 4 Ronald McDonald Houses® throughout Queensland and we give parents the chance to draw hope and comfort from other families in similar situations, while being supported by dedicated and friendly staff and volunteers.

RMHC® thanks Little Athletics Queensland for their continued support and good luck to all participants in this fantastic sport that we love.
