

## EXPRESSIONS OF INTEREST TO OFFICIATE DURING THE 2020/2021 LAQ COMPETITION SEASON

All applicants should note that lodgement of an Expression of Interest (EOI) does not guarantee appointment to the specific area(s) requested. The smooth conduct of the competition and event will be paramount; appointments will be based on applications received and qualifications held by or experience of the Officials.

When sufficient applications are received, Officials may be rotated in or out of Key roles; all Officials should be prepared for rotation throughout the competition.

Appointments for each LAQ conducted competition will be posted on the LAQ Competition Official's webpage as they become available. Individual notices will not be issued. Please note appointments may be changed at the discretion of the Officials Committee.

It is preferred that nominees for the Referee positions hold Level 2 or 3 accreditation or have been assessed for, or previously appointed to the relevant areas. Nominees for the Event or Area Chief / Manager positions should hold Level 2 accreditation for the relevant area(s) with some exceptions.

Any Official that wishes to be assessed for the practical component to further their Officials accreditation in specific event areas, should mark the appropriate event area box with a "PA". Applicants **must also** have a record card on hand and report to the Officials Manager at the beginning of the Competition. Please note that assessments will be subject to availability of appropriate Officials.

The Contact Details section overleaf will be used to update the LAQ database and **must** be completed for contact purposes.
